**Waterford, CT** – January 14, 2020 – Charter Oak Federal Credit Union has earned the top 5-Star rating from BauerFinancial Inc. for its superior financial performance during the first nine months of 2019, reflecting Charter Oak's position as one of the strongest financial institutions in the nation.

“Earning this five-star rating from BauerFinancial confirms that Charter Oak is a safe, sound and very strong financial institution,” said Brian A. Orenstein, Charter Oak's President and Chief Executive Officer. “We work very hard to manage our finances in a sound manner for our members, so it's gratifying when our strong financial position is confirmed by an independent ratings firm like BauerFinancial,” he said. Charter Oak's top 5-Star rating is based on financial data filed with federal regulators as of September 30, 2019.

The Florida-based BauerFinancial is the nation's leading independent bank and credit union rating and research firm. The firm only awards its top 5-Star rating to those financial institutions that excel in their capital, asset quality, profitability and other financial areas.

Financial institutions that earn BauerFinancial's top 5-Star rating are safe, financially sound and operating well above their regulatory capital requirements. BauerFinancial compiles its financial data based on information reported to the National Credit Union Administration (NCUA), which is the governing federal agency for credit unions.
