

Quicken Conversion Instructions

As Charter Oak Federal Credit Union completes its system conversion, you will need to modify your Quicken settings to ensure that your data connectivity transfers smoothly to the new system. This document contains instructions for both Windows and Mac, and all three connectivity types (Direct Connect, Express Web Connect or Web Connect).

These instructions refer to two “Action Dates.” The 1st Action Date is Friday, March 19th and 2nd Action Date is Tuesday, March 23rd in the instructions.

IMPORTANT: Express Web Connect will not be available until Tuesday, March 30th (5 business days after the 2nd Action Date), so please utilize another connectivity type if you need transaction updates during this downtime. There is no delay for Web Connect or Direct Connect (if supported)

To navigate this document, just click the link or links below that match your product and connectivity:
