

Community Sponsorship

Guidelines

About the Community Sponsorship Program

In addition to supporting non-profit organizations that foster economic development and social well-being, Charter Oak is also committed to supporting a variety of programs, events, and community groups that may not fall under the 501 (c) (3) categories. We look forward to partnering with the community to improve the quality of life for its residents, and also provide Charter Oak with the opportunity to meet potential members throughout New London and Windham counties. Therefore, requests for Sponsorship funding should not only benefit your cause, but also provide visibility to our credit union.
